**HOSPITAL PAKAR  
AN-NUR**  
SPECIALIST HOSPITAL  
(A MEMBER OF MEDIC HO HOLDINGS SDN BHD)

# HAEMODIALYSIS SERVICE

The Haemodialysis services at An-Nur Specialist Hospital offer 8 dialysis treatment bays that serve inpatients and outpatients, out of which two are specially designated for isolation cases (Hepatitis B).

Patients are served a light snack during the four-hour treatment and will be attended by trained staff. The haemodialysis services are located on the second floor at the specialist clinic. The complimentary concierge service is available to all patients for assistance.

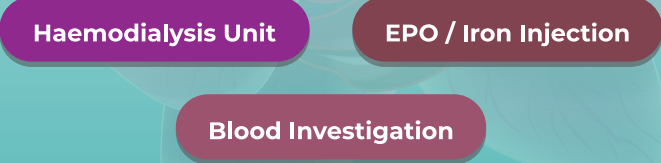

Haemodialysis services also equipped with the Patient Care System (PACSYS). PACSYS is a Bedside Smart Terminal with touch screen button to access Islamic references including ibadah guidance, Quran recitation, watch videos, surf the internet and many more through fingertips.

The Haemodialysis services is led by Dr Maisara binti Yusra, Internal Medicine Consultant as Head of Dialysis Unit together with Prof. Dr Kamaliah Mohd Daud, the Nephrologist Consultant.

# OUR OBJECTIVES

-  **To provide safe and conducive environment for patient undergoing dialysis treatment.**
-  **To monitor patients blood profile and response to treatment regularly.**
-  **To educate patients to achieve full compliance to dialysis treatment.**
